

THE EXPERTS IN MOLD & MOISTURE MANAGEMENT

***Environmental Safeguard Professionals Announces the Addition of Traditional Home Inspection to it's "One Stop Shop" of inspection services***

Environmental Safeguard Professionals, Inc. has bundled a whole new set of benefits for our Certified Environmental Home Inspectors who wish to expand their CEHI service offering to include Traditional Home Inspection.

We at ESP have worked very hard to create benefits for your company that will increase your monthly revenues and save you thousands of dollars in annual insurance premiums. We will also promote Traditional Home Inspection in our national marketing and anticipate generating significant home inspection leads for our CEHI Vendors, helping you to grow your book of business.

ESP is currently offering these additional benefits at no cost to all existing CEHI Vendors. All we ask is that you utilize the CEHI Portal and work flow system for your Inspections. Here are some of the **included benefits**:

- As a CEHI (Independent Contractor) you are covered under our GL and E&O Insurance Policy for both traditional Home and Environmental Inspections. We simply add you as an approved CEHI vendor.
- High Quality Traditional Home Inspection Report Software
- Easy accounting
- Additional opportunity to generate ongoing residual income through the Annual Mold & Moisture Maintenance (MMM) program
- Specialized scheduling, marketing, and work-flow management access
- Access to Health Benefits
- Support by national advertising campaign
- Aggressive incentive plans
